AIESEC's Global Volunteer programs are what you are looking for. Now, you are given the opportunity to go abroad for 6 weeks and contribute to one of the 17 Sustainable Development Goals.

Global Classroom - Izmit, Turkey

Global Volunteer will directly contribute towards upscaling the literacy of the community on basics of mathematics (numeracy), science and languages. Activities will be ran with a non-formal education method, addressing both the knowledge acquired and the development of the beneficiaries views in an intercultural environment.

Green Leaders - Sarajevo

Global Volunteers will engage communities to become aware about the importance of taking action to stop climate change. Through the project beneficiaries will learn about the importances of having sustainable practice and will develop solutions and initiatives to reduce the impact of climate change in their communities.

Equify - Turkey

Global Volunteers will be responsible for delivering workshops and dynamics on human rights, inequality and inclusion issues. Volunteers will support students on becoming agents of change by creating local initiatives to tackle inequality in the community.
